

March 8, 2012

Dear Skipper(s),

We hope you had a good winter and look forward to being on the water as much as we do.

**Spring is about to be sprung!**

We believe we are on course for an early spring. Not just because we have had such a mild winter but because there have been Robin sightings already plus the Crocuses are up early (they know).

Enclosed is your Spring Commissioning Sheet. Please fill this out as soon as possible and return it to the office so we can start scheduling the spring work and launches. Please remember you may fill out the sheet online as well. Navigate to [www.handyboat.com](http://www.handyboat.com) hit Services, and in the center you will see Spring Commissioning Service, there you will find a *Spring Commissioning Request Form*.

The restaurant project has been completed along with the new heads, showers and laundry facility. The Service office has moved and is easier to find now. It is located beside the small Travel Lift, on the wooden deck on the water side of the building.

Dianna will assist you with any mooring questions and David will do his best to help you with any service requests or opinions.

Lastly, we thank you for your patronage and we all look forward to another great year.

Sincerely,

The entire crew at Handy Boat Service.
