Sailing Lessons

Build the confidence to sail 22' to 30' sailboats through our Certificate Sailing courses. Also available are Private Lessons and Adult Refresher courses. Schedules are flexible and courses are affordable.

Cruising

Whether it is a Sunset Sail or a Day Sail, I can get you out on the waters of Casco Bay for a few hours without the structure of a classroom setting. Just relax and enjoy the ride. Listen to the wind in the sails and the rush of the water against the hull. The stress just melts away.

Just give me a call or email to schedule one of these wonderful ways to enjoy sailing. The adventure will last a lifetime.
